NORMAL OBSERVES LINCOLN'S BIRTHDAY

TEMPE, Feb. 13.—Lincoln's birthday was appropriately observed in Tempe yesterday in various ways and at the normal school at the regular weekly assembly the Athenian Debating club gave a partial reproduction of the famous Lincoln-Douglas debate, which proved exceedingly interesting as well as instructive.

The program had as its purpose to recall to mind in a fitting way the immortal Abraham Lincoln, to give an instructive lesson in American history and to furnish a little diversion.

Harry Steele, president of the A. D. C. presided at the assembly and the assembly was presided over by Howard Draper while Joe Conway took the part of Stephen A. Douglas. The speakers made no endeavor to impersonate the famous men they were representing, but they did give a most interesting, research into American history and the events attendant upon the slavery question, debated so warmly by Lincoln who was striving for the freedom of the negro, and on the other hand, Douglas, who ardently supported a continuance of slavery.

Portions of the debates between the noted men were given by Draper and Conway and comments on the debate and other events of that period were offered by the chairman, Harry Steele.

KICKED BY HORSE

Rendered unconscious for more than an hour when he was kicked in the chest by a horse Sunday evening, G. O. Jacoby, a ranch hand employed on the Peter Winkelman ranch south of Tempe, was still in a rather serious condition Sunday.

The accident happened shortly before dark when Jacoby was feeding the horses, and though the members of the family came to his immediate assistance, the doctor had been summoned from town and arrived before he regained his senses. Apparently, no internal injuries were sustained.

OFFICIATE AT MUND'S WEDDING

Elder K. A. Windes will leave tomorrow for Prescott, where on Wednesday evening he will officiate at the wedding of Miss Gladys Mundy, daughter of the former Yavapai county senator, to Fred Mickle of Prescott. Rev. Mr. Windes expects to be gone from his Tempe office over Wednesday and Thursday.

NEW STORAGE PLANT

In line with other improvements which have been made upon the premises of the new storage plant, the new plant installed to be used jointly in connection with the new plant of the same name, two commodious storage rooms are being built and the front show cases will also be piped for the cold air.

The machinery and the plant in its entirety is being done by the A. & V. Machine works.

"THE WOODMAN" TICKETS

Reserved seat tickets for the Modern Woodmen play, "The Woodman," to be given next Monday evening at the opera house, will be on sale at the time of the first day's rehearsal of this week at the Rowland Barber shop. The first day's rehearsals were large and forecasts a full house on the night of the play.

DOUBLE ATTRACTION TONIGHT

"The Bugler of Algiers," to be exhibited at the opera house, will have a patriotic Bluebird photoplay, of stirring appeal to loyalty and love of country. Ella Hall returns to the screen after a long absence and the attraction and her supporting company will be headed by Rupert Julian, Kingsley Benedict and little Zoe Rae, the baby-star of "Gloriana," a recent Bluebird of great vogue.

Public in and for the State and County aforesaid, on this day personally appeared Luella M. Howland, Bessie Ball Mays, W. T. Maxey and C. C. Ball known to me to be the persons whose names are subscribed to the foregoing instrument, and acknowledged to me that they executed the same for the purpose and consideration therein expressed.

GIVEN under my hand and seal of office this 24 day of November, A. D. 1915.

B. F. SELLERS,
Notary Public.

My commission expires 30th day of October, A. D. 1918.

COMB SAGE TEA IN LIFELESS, GRAY HAIR

Look Young! Common Garden Sage and Sulphur Darks So Naturally No One Can Tell

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair; and is splendid to dandruff, dry, itchy scalp and falling hair.

A well-known down town druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking a strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.

SAN MARCOS HAS MUSICAL EVENING

Robert H. Davis, editor of Munsey's Magazine, made the original story in collaboration with Percy Poore Sheehan and Rupert Julian directed the production.

The opera house is also showing this evening the remarkable dog and pony show, managed and owned by Don Carlo. The attraction was on the zone during the Frisco fair and was on the Bohus at San Diego, and more recently has played to crowded houses in Phoenix for the last week.

W. C. T. U. SESSION TODAY

The Women's Christian Temperance Union will hold its regular meeting this afternoon at 3 o'clock in the Baptist church. An important business program is to be given attention and the president urges the presence of all the members.

BOX SOCIAL PLANNED

The Ladies' Aid of the Congregational church will give a Valentine social this evening at the church, beginning at 7:30 o'clock. This is to be a box social. All are invited to attend and enjoy the treat.

LADIES' AID MEETING

The Ladies' Aid of the Methodist Episcopal church will hold an all-day meeting at the home of Mrs. Warren Cook on Van Ness avenue. As officers, a number of members will take one dish of cooked food. The members are also expected to take their needles and bibles, the object of the meeting being to work on garments for the poor. The bazaar to be held on February 22.

EXPERIMENTAL FARM GIVEN ONLY \$2,000

MESA, Feb. 12.—Disappointment and indignation held sway yesterday when it became known to a number of prominent people in Mesa that the appropriation bill now before the house provided for only \$1,000 a year to cover all improvements and expenses for the state experimental farm located one mile west of town. Naturally the farmers of the county were not to be expected to contribute to the farm without regard to any improvement whatsoever. The property is in need of additional buildings and if experimental work is to be conducted it will be impossible to conduct the farm as a profit-making industry.

Farmers on the southside who have been watching the development of the farm are expecting that the bill will be of great benefit to the entire valley, if not indeed to the state, and to hamper the work by the niggardly appropriation set forth in the bill is very discouraging to those who have been counting on the farm as a distinct asset to the ranching community. The needs not less than \$10,000 a year for the next two years if needed improvements and experimental work is to be conducted to the extent most helpful. The people here who subscribe liberally to the purchase fund of the farm are a loss to our industry and the Sulphur Springs Valley dry farm should receive an appropriation of \$7,500 for the two years and this important proposition be limited to \$2,000.

L. D. S. CONFERENCE SATURDAY

The conference of the Maricopa Stake L. D. S. will be held in the morning at 10 o'clock on the morning of Saturday, February 17 and continuing over Sunday.

Albert Smith and Joseph W. McMurrin of Salt Lake City. The latter is one of the presidents of the quorum of the presidents of the quorum of the quorum. Services will be held at 10 a. m. and 2 p. m. on Saturday, with Sunday services to be announced later.

HAS OPERATION ON EYE

W. G. Gollaher, the efficient water superintendent of Mesa, has been suffering for some days with a foreign growth on his eye. He has had the eye operated on by a specialist in Phoenix and yesterday went over to the three stitches removed. The eye has been exceedingly painful but Mr. Gollaher hopes to be on duty within a day or so.

OUT OF A HOME

The Pioneer Meat Market is moving out of the building occupied by the Brothers, who were recently destroyed by fire purchased the building they had occupied and also the one occupied by the market. Since they space, the market building will be torn down and the space included in the new store. Palmer Bros., owners of the Pioneer Market, have not as yet decided on a location.

RETURNING HOME

Mrs. Mary McKenna, mother of C. B. Robinson, left yesterday for her home in Kansas, Kansas. On her way she will stop at Denver for a visit with another daughter.

COMMERCIAL CLUB

The regular meeting of the Mesa Commercial club will be held tonight following a supper at the American Kitchen. There is a considerable amount of important business to come before the members on this occasion.

WANT BUILDING FREE

A committee will circulate a petition among the teachers of the Lehi district asking that the school board at that place permit the use of the school building for dances without the payment of any charge for its use. The reason given is that there are so few young men there it works a hardship on them when the board makes charge. The petitioners urge that parents want their children to attend dances at home rather than at neighboring towns, and that the school house dances can be held at fifty cents a seat, thus not being exorbitant even for weekly gatherings.
